

**ADDENDUM – #11-05 Construction Management
Pasco-Hernando Community College
December 1, 2011**

1. On Page 38 of the RFP, PHCC asks for Current/Previous clients and on Page 41 you ask for References. Is it okay to list the same projects and clients on each page or do we need to use different projects? (Can you clarify what the difference is between the forms?)

Individuals may be listed as both current and previous clients on page 38 as well as references on page 41. References on page 41 may or may not necessarily be directly tied to listed projects on page 38.

2. On Page 24 of the RFP it notes the page limit is 100. Does that page count also include proposal covers, dividers, financial statements and other required forms?

Proposal covers, dividers, financial statements and other required forms are not included in the minimal 100 page requirement.

3. Under Tab 2, on Page 26 of the RFP under A, it says to only include projects within a 60 mile radius of the PHCC campuses for current projects. Does the same requirement need to be met for the past projects?

The list of past projects may include projects beyond the 60 mile radius.

4. Page 25 (Tab 1, Item C, number 11) references the inclusion of an Organizational Chart. Additionally, Page 27 (Tab 3, Item 8) asks us to provide an organizational chart. Please clarify the difference, if any.

The Organizational Chart in Tab 1 is directly related to the project. The Organizational Chart in Tab 3 is the organizational chart for your company.

Sign this addendum and include in your proposal package.
