

6Hx19-2.19 VACATION LEAVE

The purpose of this Board Rule is to establish Board policy relating to eligibility of College employees for accrual, carry-over and payment of accumulated vacation leave

Only regular full-time or part-time non-faculty College employees are eligible to earn vacation leave beginning with the first day of employment. Vacation leave is credited to the employee at the last pay date of each month.

Vacation leave accrues based in part on years of service in any Florida Community College, as follows:

0 to 5 years: one (1) day (8 hours) for each month or major fraction of a calendar month of service

5 to 10 years: one and one fourth (1 1/4) days (10 hours) for each month or major fraction of a calendar month of service

10 years or more: one and one-half (1 1/2) days (12 hours) for each month or major fraction of a calendar month of service

For faculty who assume non-faculty positions, years of service for calculating the accrual of vacation leave shall include all years of service in the Florida Community College system, including instructional assignments.

Part-time regular employees shall receive vacation leave on a pro-rata basis.

Vacation leave may accumulate, but credits in excess of 44 days (352 hours) on December 31 shall be reduced to 44 days (352 hours) on January 1 of each year

Vacation leave may not be used without prior approval from the supervisor, except when Human Resources Office action is necessary. Vacation leave cannot be taken in amounts less than one-fourth (1/4) hour. Vacation leave may *not* be used during an initial probationary period or any extension thereof.

Terminating employees, except those terminating during an initial probationary period or any extension thereof, will be paid up to 30 days (240 hours) for accrued vacation leave with their final pay check. In case of death of an employee, such pay shall be paid to the employee's beneficiary, estate, or as provided by law.

Employees retiring from PHCC will be paid for accumulated vacation leave in accordance with District Board of Trustees Board Rules 6Hx19-2.53, *Payment of Accumulated Leave at Retirement or Death* and 6Hx19-2.531, *Payment of Accumulated Vacation (Annual) Leave to Eligible Employees Electing to Participate in the Deferred Retirement Option Plan (Drop)*.
